"The Manly Art is an important contribution to the study of nineteenth-century American culture. Writing with clarity, vigor, and grace, Gorn combines detailed narrative with convincing interpretations.

The Manly Art, Bare-Knuckle Prize Fighting in America

One of the most profound insights I have gleaned from reading "The Manly Art: Bare-Knuckle Fighting in America" is the place of ritualized and symbolic violence in societies over time. Men crave the order of violence with rules and attach elevated importance to such cont This is essential reading if one wants to understand working class history in America as well as boxing.
