A very readable account of work as a midwife in the NHS from 1989 to the present, with lots of little vignettes about the variety of experience faced. Anderson has worked around Britain in a variety of different environments, from inner city North London to Inverness, serving a more rural area as the nearest hospital for much of the Highlands.

A remarkable new voice in American fiction enchants readers with a moving and uplifting novel that celebrates the miracle of life. In The Midwife of Hope River, first-time novelist Patricia Harmon transports us to poverty stricken Appalachia during the Great Depression years of the 1930s and introduces us to a truly unforgettable heroine.
