new interpreter apos s bible new testament survey ebooks

An interpreter is just a program. As input, it takes a specification of a program in some language. As output, it produces the output of the input program. By designing a new interpreter, we can invent a new language. Languages are powerful tools for thinking. Different languages encourage different ways of thinking and lead to different thoughts.

Chapter 12 Interpreters - Computer Science

Also like its predecessor, The New Interpreterâ€™s Bible is the product of the work and thought of a large editorial and administrative staff and dozens of biblical specialists and theological writers.

406 Theology Today - SAGE Publications

The New Interpreterâ€™s Bible offers critically sound biblical interpretations for today. Guided by scholars, pastors, and laity representing diverse traditions, academic experience, and involvement in the Church, this entirely new collection of writings is specifically prepared to meet the needs of preachers, teachers, and all students of the Bible.
