Integrated care models: an overview Page vii Preface In 2012, Member States of the WHO European Region endorsed the European health policy Health 2020, recognizing health system strengthening as one of four priority action areas in setting out a course of action for achieving the Region’s greatest health potential by year 2020 (1). The vision put forward by Health 2020 calls for people-centred health systems.

Integrated care models: an overview - WHO/Europe

Integration is about the organization of various tasks which need to be performed in order to provide a population with good quality health services. An overall working definition of integrated service delivery is “The management and delivery

INTEGRATED HEALTH SERVICES “ WHAT AND WHY

Integrated service delivery is “the organization and management of health services so that people get the care they need, when they need it, in ways that are user-friendly, achieve the desired results and provide value for money.”
