The term political correctness (adjectivally: politically correct; commonly abbreviated PC) is used to describe language, policies, or measures that are intended to avoid offense or disadvantage to members of particular groups in society. Since the late 1980s, the term has come to refer to avoiding language or behavior that can be seen as excluding, marginalizing, or insulting groups of people ...

Master/slave is a model of communication where one device or process has unidirectional control over one or more other devices. In some systems a master is selected from a group of eligible devices, with the other devices acting in the role of slaves. In the context of motor control, the master/slave configuration is used for load sharing purposes when two identical motors connected to two ...

Sony's DRM Rootkit: The Real Story. This is my sixth column for Wired.com:. It's a David and Goliath story of the tech blogs defeating a mega-corporation. On Oct. 31, Mark Russinovich broke the story in his blog: Sony BMG Music Entertainment distributed a copy-protection scheme with music CDs that secretly installed a rootkit on computers. This software tool is run without your knowledge or ...
