

### **the politics of education pdf**

As an academic discipline the study of politics in education has two main roots. The first root is based on theories from political science while the second root is footed in organizational theory. Political science attempts to explain how societies and social organizations use power to establish regulations and allocate resources. . Organizational theory uses scientific theories of management ...

Politics (from Greek: *πολιτική*, translit. *Politikḗ*, meaning "affairs of the cities") is the process of making decisions that apply to members of a group. It refers to achieving and exercising positions of governance—organized control over a human community, particularly a state. The academic study focusing on just politics, which is therefore more targeted than all Political science ...
