I. Human Rights as Politics II. Human Rights as Idolatry

Politics as the art of government. "Politics is not a science . . . but an art," Chancellor Bismarck is reputed to have told the German Reichstag. The art Bismarck had in mind was the art of government, the exercise of control within society through the making and enforcement of collective decisions.

CHAPTER 1 What is Politics? - macmillanihe.com

The Politics of the Human is a useful and challenging book: useful in that it provides an overview of philosophical thought on what is an under-explored topic, and challenging in that it highlights both the appeal and problems of invoking the "human" as a category. In this contribution, I consider the implications of the work for attempts to define the human in normative political theory.
