The Politics of Space and Place 3 and China) creating, the power of an economic elite. 4 In the process it has ensured the vast transfer of wealth upwards to a small privileged class and

## **The Politics of Space and Place - Cambridge Scholars**

This bringing of the making of space into politics has been the motivation behind insisting on the importance of engaging with its conceptualisation. Space has so often (usually implicitly and without much thought) been con-signed to the fixed and the dead (as Foucault had it), to the realm of the already-
