The Praeger Handbook is a brand-new entry into the crowded field of books on Occupational and Environmental Medicine. It is a superb textbook for residents, a great reference book for the practitioner's bookshelf, and must reading for established "Occ Docs" and leaders in the specialty because it sees the field from a whole new point of view.

"In sum, the Praeger Handbook on Understanding and Preventing Workplace Discrimination provides practical information, guidelines, and some relevant psychological research on a variety of areas of workplace discrimination. It includes some fairly novel chapters on topics relative to other books of this sort (e.g., regarding GINA, Retaliation, ENDA).
