Zachary Taylor (November 24, 1784 – July 9, 1850) was the 12th President of the United States, serving from March 1849 until his death in July 1850. Taylor previously was a career officer in the United States Army, rose to the rank of major general and became a national hero as a result of his victories in the Mexican–American War. As a result, he won election to the White House despite his ...

In political studies, surveys have been conducted in order to construct historical rankings of the success of individuals who have served as President of the United States. Ranking systems are usually based on surveys of academic historians and political scientists or popular opinion. The rankings focus on the presidential achievements, leadership qualities, failures and faults.
