most instances of legal consideration2, today federalism is actually treated in this way, however, the political

sciences have ascribed a somewhat broader meaning to it. Thus, one also may find a definition according to which federalism in its broadest sense marks a "multi-layer or pluralistic concept of social and political life".

### **Federalism: The Concept, Development and Future**

What is the price of federalism? Does it result in governmental interconnections that are too complex? Does it create overlapping responsibilities? Does it perpetuate social inequalities? Does it stifle economic growth? To answer these questions, Paul Peterson sets forth two theories of federalism: functional and legislative.
