A manifesto for Qualitative research. The commodification of Qual Having moved away from its core strength, Qual now too often poses as a quick, cheap alternative to quantitative research, an excuse for penetrative thinking. Projects are commissioned to produce instant evaluation decisions: a

### **A manifesto for Qualitative research - TNS Infratest**

The author reflects on his return to the International Congress of Qualitative Inquiry after sitting out a year to protest the Salaita affair. He draws on the experiences of the drive and what it means to once again be face to face with colleagues he admires, doing the work of thinking critically about the pressure of the law on sentences as descriptions of pain, vulnerability, and outrage ...

### **Manifesto | International Review of Qualitative Research**

Qualitative research has become a commodity and is in danger of losing its power to shape business strategy and provide inspiring consumer understanding. In this manifesto for the future of the discipline, Kantar TNS's CEO Global Qualitative Practice, Rebecca Wynberg, sets out her agenda for returning Qual to its rightful role at the heart of understanding people:

MANIFESTO DECENTURION 3 / 28. We believe that the world is an open source area, and humanity can mold itself into ... We do not seek to create the largest decentralized state " our priority is the qualitative indicator of our citizens (their values, competencies, and focus on the new) as well as the maximum income per person.

## **MANIFESTO DECENTURION**

Denzin is a seasoned researcher who understands the different waves in the research field. He realizes the shifts in Qualitative research and speaks directly to anyone who has or wants to research using this methodology. This Qualitative Manifesto--supplies direct information that is useful to 'learned' as well as the 'novice' researcher.

## **Amazon.com: Customer reviews: The Qualitative Manifesto**

With his path-breaking *The Qualitative Manifesto: A Call to Arms* (2010), Norman Denzin calls for qualitative inquiry to be carried out with the aim of contributing to the empowerment of subjects involved in the research. He pleads passionately and vehemently in favor of a research process that is led by the ideal of social justice.

The Comparative Manifesto project - Established by D. Robertson and I. Budge in 1979. - systematically content analysed party manifestos of more than 60 countries, from 1945 to 1983. - Relies on manual coding rather than computer coding. - systematically classify quasi-sentences (units of analysis) into categories of arguments (57).

## **Qualitative Text Analysis**

Norman Denzin has subtitled his Qualitative Manifesto (Denzin 2010) as "a call to arms", so it seems for him impossible to overcome the contradiction. If we are looking at approaches to text analysis, we can differentiate the two positions as coming from different epistemological backgrounds (cf. Guba and Lincoln 2005):
