During the swing era, black people often attended concerts by white dance bands, and whites began to study and imitate black culture with greater passion and in greater numbers than ever

### **A.**

The Swing Era focuses on that extraordinary period in American musical history--1933 to 1945--when jazz was synonymous with America's popular music, its social dances and musical entertainment. The book's thorough scholarship, critical perceptions, and great love and respect for jazz puts this well-remembered era of American music into new and revealing perspective.
