Literary criticism, on the other hand, is the practical application of those theories or methods to particular works of literature--the actual use of a method to better understand a text's meaning.

What is the difference between Literary Theory and

Literary criticism (or literary studies) is the study, evaluation, and interpretation of literature. Modern literary criticism is often influenced by literary theory, which is the philosophical discussion of literature's goals and methods. Though the two activities are closely related, literary critics are not always, and have not always been, theorists.

Literary criticism - Wikipedia

Postcolonial theory is also built around the concept of resistance, of resistance as subversion, or opposition, or mimicry -- but with the haunting problem that resistance always inscribes the resisted into the texture of the resisting: it is a two-edged sword.
