dogs are in their crates and the new dog is loose or on a line in the house. This is the time that you establish your relationship with this new dog. This is done through grooming, walks, play, and obedience training. Establishing a relationship means that you are subtly teaching the dog that you are the boss (or pack leader).

some unchanging characteristics that dogs were born with. So when a dog is said to have a low prey drive and will not be a very good hunter, this is how the term is used. Using drives to refer to behavioral traits in dogs has its problems as well. There is no scientific evidence that dogs have traits like prey drives, pack drives, or defensive drives.
