viii The Gospel Call and True Conversion As is commonly known, the word gospel comes from the Greek word euangélion, which is properly translated "good news." In one sense, every page of Scripture contains the gospel, but in another sense, the gospel refers to a very specific message—the salvation accomplished for a

dium is the message because it is the medium that shapes and controls the scale and form of human association and action. The content or uses of such media are as diverse as they are ineffectual in shaping the form of human association. Indeed, it is only too typical that the "content" of any medium blinds us to the character of the medium.
