Introduction: The violence of development - ResearchGate

Crucially, the analysis in *The Violence of Development* comes from many development project case studies and over sixty interviews with a range of people in Central America, including nuns, politicians, NGO representatives, trade unionists, indigenous leaders and human rights defenders. This book is a compelling synthesis of first-hand research and development theory.

The Violence of Development - Pluto Press

Gender violence and violence against children is an issue, and structural violence and heavy handed policies also play(ed) a part. Another huge issue is the corrupted justice system that fails to objectively and fairly pursue and process high level organized and/or white collar crime and at another level, there is fear that reporting crime will ...
