The Workers Party leads the work of popularizing and elaborating the short-term and long-term program of the working class, taking this program to all sections of the class, as well as to the middle stratum in order to rally it under the leadership of the working class. Elaborating and popularizing the program of the working class involves intensive and extensive theoretical and ideological work.

The Worker

A school social worker provides counseling and psycho-social services to children and adolescents in schools at both micro and macro levels. Social workers work as mental health experts, leaders of social and emotional development within the school community, family-school liaisons, and program development experts.
