This Government is passionate about creating a society that is positive for youth. Young people matter. They are important to us now, and to our future, and we need them to flourish. There is much to celebrate in the youth of today and we should take every opportunity to do so. However, it is clear that we need to do more to help many young ...

Positive for Youth

times. 1The sexual abuse of children and young people by some deacons, priests, and bishops, and the ways in which these crimes and sins were addressed, have caused enormous pain, anger, and confusion for victims, their families, and the entire Church.

Remember the young ones: Improving career opportunities for Britain's young people. This report looks at five critical elements of the school-to-work transition for young people â€” the role of employers, vocational education, apprenticeships, careers guidance, and the benefits system â€” and at lessons the UK can learn from European economies with better youth employment records.

Remember the young ones: Improving career opportunities

Much of the work involving young people in research includes those under 18 years of age, and some involves those under 16 years. As yet only a limited amount of work has involved younger children as researchers; there is some good practice in this area, but more scope for development. See section 8
