Theology is the critical study of the nature of the divine. It is taught as an academic discipline, typically in universities and seminaries.. Theology is basically the study of deities or their scriptures in order to discover what they have revealed about themselves. While theology has turned into a secular field, religious adherents still consider theology to be a discipline that helps them ...

Pastor Training Resources

Bill Wilson of the Center for Healthy Churches says that the arrival of a new minister can be a marvelous opportunity to start anew for both the minister and the congregation – but only if the pastor steers clear of four common traps that can derail the new relationship.

4 Traps for Clergy When Moving to a New Congregation

The so-called "worship wars" of recent years may have produced a winner. Many congregations remain divided between traditional and contemporary styles, but in most places the contemporary appears ...
