

these united states the pdf

The United States Constitution is the supreme law of the United States. The Constitution, comprising seven articles, delineates the national frame of government. Its first three articles embody the doctrine of the separation of powers, whereby the federal government is divided into three branches: the legislative, consisting of the bicameral Congress; the executive, consisting of the President ...

Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...
