I love this creative gardening technique. It hits on so many of my happy Bonzai buttons that it makes me giddy! First of all, you're growing your own food, which of course I think is divine. Secondly, this is some super small-scale gardening, because you utilize the vertical "dead" space by growing *up* instead of *out*. As well, this is essentially container gardening, and can be ...

Peter Pan is one of the protagonists of the play and the novel. He is described in the novel as a young boy who still has all his first teeth; he wears clothes made of leaves (autumn leaves in the play, skeleton leaves in the novel) and plays the pipes. He is the only boy able to fly without the help of Tinker Bell's fairy dust.

It can make it easier to think that classes map to tables, and in a way they do, but not always directly. Except for very simple databases you will never have a one-to-one mapping of classes to tables, something you will see later in this article with regards to inheritance mapping. However, a common theme that you will see throughout this article is that a one class to one table mapping is ...
