

to honor and trust pdf

An honor system or honesty system is a philosophical way of running a variety of endeavors based on trust, honor, and honesty. Something that operates under the rule of the "honor system" is usually something that does not have strictly enforced rules governing its principles.

Honor system - Wikipedia

An academic honor code or honor system is a set of rules or ethical principles governing an academic community based on ideals that define what constitutes honorable behaviour within that community. The use of an honor code depends on the notion that people (at least within the community) can be trusted to act honorably. Those who are in violation of the honor code can be subject to various ...
