IJTP provides a forum for scholars and policy makers to exchange views and ideas at an international level on key issues that shape the growth of today's tourism industry. IJTP takes the view that tourism activity takes place within a socio-cultural, political, economic and environmental context. Therefore, groups involved with tourism need to be sensitive to emerging issues which may affect ...

Tourism is travel for pleasure or business; also the theory and practice of touring, the business of attracting, accommodating, and entertaining tourists, and the business of operating tours. Tourism may be international, or within the traveller's country. The World Tourism Organization defines tourism more generally, in terms which go "beyond the common perception of tourism as being limited ...
