Current and Future Trends in Tourism and Hospitality. The

Tourism has become an important, even vital, source of income for many regions and even entire countries. The Manila Declaration on World Tourism of 1980 recognized its importance as "an activity essential to the life of nations because of its direct effects on the social, cultural, educational, and economic sectors of national societies and on their international relations."

Tourism - Wikipedia

Globalization and infectious diseases: A review of the

International tourism continues to show significant growth worldwide, and this translates into job creation in many economies. This growth reminds us of the need to increase our capacity to develop and manage tourism in a sustainable way, building smart destinations and making the most of technology and innovation, said UNWTO Secretary-General, Zurab Pololikashvili.
