

towards sustainable tourism pdf

Abstract: Tourism and the Sustainable Development Goals “ Journey to 2030 aims to build knowledge, empower and inspire tourism stakeholders to take necessary action to accelerate the shift towards a more sustainable tourism sector by aligning policies, business operations and investments with the SDGs. The publication highlights the links between tourism and the SDGs and provides ...

Tourism and the Sustainable Development Goals “ Journey to

Sustainable development is the organizing principle for meeting human development goals while at the same time sustaining the ability of natural systems to provide the natural resources and ecosystem services upon which the economy and society depends . The desired result is a state of society where living conditions and resource use continue to meet human needs without undermining the ...

Sustainable development - Wikipedia

Tourism is travel for pleasure or business; also the theory and practice of touring, the business of attracting, accommodating, and entertaining tourists, and the business of operating tours. Tourism may be international, or within the traveller's country. The World Tourism Organization defines tourism more generally, in terms which go "beyond the common perception of tourism as being limited ...
