This last book was a nice change from the last, things pick up and the action is good, a lot going on and some new and interesting characters to shake things up. I love how well it comes out in the audio version of the book, the english accented characters are good but still the male voices are a bit over the top, and the jokes are a bit cheesy.

Toxic is the second book in Rachel Van Dyken's™s Ruin series and I may be in the minority, but I actually thought it was better than the first! Don't get me wrong, the first book was very good, but there was something about Gabe's™ story that hit me right in the feel 4.5 stars!!!

Toxic (Ruin, #2) by Rachel Van Dyken - Goodreads

Venom is a fictional character appearing in American comic books published by Marvel Comics, commonly in association with Spider-Man. The character is a sentient alien Symbiote with an amorphous, liquid-like form, who requires a host, usually human, to bond with for its survival. After bonding with a human host, the Symbiote bestows its enhanced powers upon the host.
