The Music of Pakistan (Urdu: [موسیقی پاکستان](#)) includes diverse elements ranging from music from various parts of South Asia as well as Central Asian, Middle Eastern, and modern-day Western popular music influences. With these multiple influences, a distinctive Pakistani sound has emerged.

Music of Pakistan - Wikipedia

Persian traditional music or Iranian traditional music, also known as Persian classical music or Iranian classical music, refers to the classical music of Iran (also known as Persia). It consists of characteristics developed through the country's classical, medieval, and contemporary eras. Due to the exchange of musical science throughout history, many of Iran's classical melodies and modes are ...
