Translation, according to some writers, is an underappreciated art. It is a complex multilingual gymnastics, to show that words belong to one another. Words reveal many things about the conditions of human beings.

### **How Do Translators Translate the Untranslatable?**

Abstract: Translation scholars have recently emphasized the importance of the translator's (in)visibility (Venuti) and of the ethical aim of translation (Berman). This paper argues that a) the translation of literary sociolects is paradigmatic of the way in which the translator's visibility is foregrounded within the target text; b) their translation requires a "visible" engagement on the part ...
