

transport and public policy pdf

Public transport (also known as public transportation, public transit, or mass transit) is transport of passengers by group travel systems available for use by the general public, typically managed on a schedule, operated on established routes, and that charge a posted fee for each trip. Examples of public transport include city buses, trolleybuses, trams (or light rail) and passenger trains ...

Public transport - Wikipedia

The International Association of Public Transport (UITP, from the French: L'Union internationale des transports publics) is a non-profit advocacy organization for public transport authorities and operators, policy decision-makers, scientific institutes and the public transport supply and service industry. The association was founded on August 17, 1885 by King Leopold II in Brussels, Belgium ...
