Adivasi is the collective term for the indigenous peoples of mainland South Asia. Adivasi make up 8.6% of India's population, or 104 million people, according to the 2011 census, and a large percentage of the Nepalese population. They comprise a substantial indigenous minority of the population of India and Nepal and a minority group of the Sri Lankan society called Vedda.

In anthropology, a tribe is a human social group. Exact definitions of what constitutes a tribe vary among anthropologists, and the term is itself considered controversial in academic circles in part due to its association with colonialism. In general use, the term may refer to people perceived by a population to be primitive and may have negative connotations.
