It describes his life from birth until leaving school, focusing on living conditions in Britain in the 1920s and 1930s, the public school system at the time, and how his childhood experiences led him to writing as a career. I just received few days ago but already love it. you can store up to 8 boxes and you can adjust the spacing. I bought 2 one for wraps and one for different size plastic bags, gallon, quart, sandwich, and Snack sizes. you have to put the bag boxes on their side, and they hang over a little but still great and saves space. I would recommend to any one.
