History of Welfare in Canada - Canadian Social Research Links

This guide will help you decide how to apply a licence to your research data, and which licence would be most suitable. It should provide you with an awareness of why licensing data is important, the impact licences have on future research, and the potential pitfalls to avoid.

How to License Research Data | Digital Curation Centre

A state-owned enterprise (SOE) is a business enterprise where the state has significant control through full, majority, or significant minority ownership. Defining characteristics of SOEs are their distinct legal form and operation in commercial affairs and activities. While they may also have public policy objectives (e.g., a state railway company may aim to make transportation more ...
