This user's guide, which is part of the SHARE Approach training, is designed to support ongoing efforts among health care providers to use current and reliable evidence in everyday clinical decisionmaking. 4.

About the SHARE Approach Workshop | Agency for Healthcare

Let this video show you how one class used the Workshop Model during an ELA lesson. Students in Mr. Allen's 7th grade English Language Arts classroom work on a persuasive writing unit using the Workshop Model.

The Workshop Model For Differentiated Instruction

workshop, you create a strong instructional framework around this independent reading. While students do not choose books by "level," teachers can use knowledge of text difficulty to guide students' choices. Teachers rely on conferences with individual students to do some intensive teaching and also note student strengths and needs.
