Karlberg - Discourse Theory

Youth often play a prominent role in political violence, and the existence of a "youth bulge" has historically been associated with times of political crisis (Goldstone 1991; 2001).

A CLASH OF GENERATIONS? YOUTH BULGES AND POLITICAL VIOLENCE

this epistemic shift: the development of non-violence as a political strategy, and the emergence of humanitarianism and human rights discourse as a contemporary politics of anti-violence. Prerequisites

Political Theory, Violence, and the State - yves winter

What is the role of violence in the state? In this article, I explore the role of violence in the state. I argue that violence is not just a means to an end, but a constitutive element of the state. I explore the role of violence in the state through a critical discourse analysis of the speeches of the President of the United States, George W. Bush, in 2001. I argue that the role of violence in the state is to create a sense of unity and purpose among the citizens of the state. I argue that the role of violence in the state is to create a sense of unity and purpose among the citizens of the state.

What is the role of violence in the state? - Discourse in Society

The present study looks at the violence in the form of a discourse between two opposing camps, the Sikh militants and the Indian state. An analysis of the nature and type of violence spread over a span of a decade and a half resulting in the emergence of distinct patterns.
