Volleyball is a team sport in which two teams of six players are separated by a net. Each team tries to score points by grounding a ball on the other team's court under organized rules. It has been a part of the official program of the Summer Olympic Games since 1964.. The complete rules are extensive, but simply, play proceeds as follows: a player on one of the teams begins a 'rally' by ...

Beach volleyball is a variant of indoor volleyball, which was invented in 1895 by William G. Morgan. Beach volleyball most likely originated in 1915 on Waikiki Beach in Hawaii, at the Outrigger Canoe Club. According to a 1978 interview of an Outrigger Canoe Club member, George David "Dad" Center put a net up there, and the first recorded game of beach volleyball took place.

At each practice, you must create game-like scenarios on the court. You need drills that require and force your players to make decisions that simulate the tactical choices they will have to make during a match.. They act as the glue to stick all the technical skills of passing, setting, attacking, blocking, and serving together into one cohesive, high performing game-play.
