Conversion therapy is the pseudoscientific practice of trying to change an individual's sexual orientation from homosexual or bisexual to heterosexual using psychological or spiritual interventions. There is virtually no reliable evidence that sexual orientation can be changed and medical bodies warn that conversion therapy practices are ineffective and potentially harmful.

Preface. Are Times and Seasons to be Understood? All children who are learning to walk fall down a few times. Similarly, those who eagerly look to know when the end of the age will come should be expected to make a few mistakes in setting dates. It is not in the power of any human being to set the date of Christ's return.
