This text explores children and families in their natural habitats. Its message is that a comprehensive theoretical model of effective delivery of child and family services is needed in order for Read more...

Where children live : solutions for serving young children

The changing nature of communities necessitates a comprehensive theoretical model for effective delivery of child and family services. This edited volume provides a context for and examples of an emerging paradigm shift in human services toward one in which services for families with young children are provided in their communities.
