In my opinion, "Wherever Nina Lies" was a very good book. It is the first book that I have read of Lynn Weingarten, and I liked how she put a lot of details in the story to make us understand what was really going on. I also liked how some people or some parts of the book were related to each other, to make the suspense even bigger.

Wherever Nina Lies by Lynn Weingarten - Goodreads

Wherever Nina Lies was terribly amazing. Lynn Weingarten is terribly amazing. I greatly enjoyed this book,

such an original plot and story line. The way the plot carried out, Im pretty sure Ive never read anything like it before.
