vii RESEARCH COMMISSIONS This report would not have been possible without the contributions of the research partners and authors of the research commissions, listed below.

FOR PROMOTING WOMEN'S ECONOMIC EMPOWERMENT

Gender empowerment conventionally refers to the empowerment of women, which is a significant topic of discussion in regards to development and economics nowadays. It also points to approaches regarding other marginalized genders in a particular political or social context. This approach to empowerment is partly informed by feminism and employed legal empowerment by building on international ...
