

women in british politics pdf

A total of eleven women have served or are currently serving as the premier of a province or territory in Canada. The first female premier in Canadian history was Rita Johnston, who served as Premier of British Columbia for seven months in 1991 after she won the leadership of the governing Social Credit Party, but the party was defeated in the subsequent general election.

Enabling women to control the number and spacing of their children is essential to reducing maternal deaths and human misery. Over 200 million women, mostly in the least developed countries, want to use modern family planning methods but can't access them, facing cultural barriers or family resistance, or not having access to contraceptives, or there is a lack of information or trained workers ...
