World Access The Handbook For Citizens Of The Earth

The principal purpose of this Access to Information Staff Handbook (AI Staff Handbook) is to provide: (a) guidance to staff for determining whether information is public or non-public (i.e. "restricted"); and (b) workflow processes for making information publicly available. The Policy is set out in the World Bank Policy on Access to Information.

World Bank Document

The Oxford Handbook of World History presents thirty-one articles by leading historians on the most important issues explored by contemporary world historians. These broadly fall into four categories: conceptions of the global past, themes in world history, processes of world history, and regions in world history.
