One of the world's oldest languages is San-skrit. It was spoken in India thousands of years ago and is the special language of the Hindu religion. Very few people speak it today, but some words in European languages are connected to Sanskrit. Orphan is one of them. An orphan is a child without parents who therefore can be in a weak and helpless state.

Africa is the second largest continent in the world. The earliest humans we know of are discovered in Africa. The people from Africa included unique characteristics in their folklore, showing their way of life and the animals and plants that surround them. African stories sometimes include trickster animals and spirits.

Fairy tales are stories that range from those originating in folklore to more modern stories defined as literary fairy tales. Despite subtle differences in the categorizing of fairy tales, folklore, fables, myths, and legends, a modern definition of the fairy tale, as provided by Jens Tismar's monologue in German, is a story that differs "from an oral folk tale", written by "a single ...
