World War II (often abbreviated to WWII or WW2), also known as the Second World War, was a global war that lasted from 1939 to 1945. The vast majority of the world's countries—including all the great powers—eventually formed two opposing military alliances: the Allies and the Axis. A state of total war emerged, directly involving more than 100 million people from over 30 countries.

### **World War II - Wikipedia**

World War II was the deadliest military conflict in history an estimated total 70-85 million people perished, which was about 3% of the 1940 world population (est. 2.3 billion).. The tables below give a detailed country-by-country count of human losses. World War II fatality statistics vary, with estimates of total deaths ranging from 70 million to 85 million.
