

### **writing dalit history and pdf**

Dalit, meaning "broken/scattered" in Sanskrit and Hindi, is a term mostly used for the ethnic groups in India who are the original inhabitants of India but have been kept depressed by subjecting them to untouchability (often termed backward castes). Dalits were excluded from the four-fold varna system of Hinduism and were seen as forming a fifth varna, also known by the name of Panchama.

A writer is a person who uses written words in various styles and techniques to communicate their ideas. Writers produce various forms of literary art and creative writing such as novels, short stories, poetry, plays, screenplays, and essays as well as various reports and news articles that may be of interest to the public. Writers' texts are published across a range of media.
