Writing for 'Eight Social Scientists - Sociology | Sociology

First published nearly twenty years ago, Writing for Social Scientists has become a lifesaver for writers in all fields, from beginning students to published authors. Becker's message is clear: in order to learn how to write, take a deep breath and then begin writing. Revise. Repeat. It is not always an easy process, as Becker wryly relates.

Writing for Social Scientists by Howard Becker is much more than a guide to writing; it is a guide to becoming a prolific (and thus successful) academic. Whereas many books on writing focus on style and grammar, Becker takes a broader view, covering everything from the writing process ("writing is a form of thinking") to common pitfalls (the "One Right Way") to writing's place in research (think "working draft").
