

youth unemployment and society pdf

Youth unemployment is the unemployment of young people, defined by the United Nations as 15–24 years old. An unemployed person is defined as someone who does not have a job but is actively seeking work. In order to qualify as unemployed for official and statistical measurement, the individual must be without employment, willing and able to work, of the officially designated 'working age' and ...

Youth unemployment - Wikipedia

Youth unemployment in the United Kingdom is the level of unemployment among young people, typically defined as those aged 18–25. A related concept is graduate unemployment which is the level of unemployment among university graduates. Statistics for June 2010 show that there are 926,000 young people under the age of 25 who are unemployed which equates to an unemployment rate of 19.6% among ...
